

## 3<sup>rd</sup> Quarter Challenge

During the third quarter, students in 2<sup>nd</sup> through 5<sup>th</sup> grades will be challenged to read! Those who earn 8 points will be considered "A.R. Stars" and those who earn 15 points will be deemed "A.R. Superstars"!

Upon achieving their goal, each child will be able to select a prize, and those earning 15 points will be eligible to throw a "cream pie" at someone during our culminating assembly!

Each teacher will also set a point goal for the class to achieve during the third quarter. If the goal is met, the class will have a party! Students will be able to take tests and earn points from January 3<sup>rd</sup> - March 8<sup>th</sup>. Students may take tests on books they read during Christmas break.

The Accelerated Reader Assembly will be held at 2:45 p.m. on Wednesday, March 20<sup>th</sup> in the gymnasium. Parents are welcome to attend the assembly.

In addition, the top earning overall student will "cream" Mrs. Boettcher, and the top earning student from each class will "cream" a mystery guest!

The Accelerated Reader program will help students become better readers and will enrich their lives with great children's literature. Please encourage your child to begin reading today!
