General Info

Dear Parents: It is hard to believe it has been a month since the last newsletter. I hope you had wonderful holidays. I had lots of time with family. We had 16 people in and out for five days. We had a lot of fun and food; played games and lots of grandparent time. Thank-you for all the gifts and wishes.

Please closely watch your calendar. There are many activities until school is out. Time will go quickly. It seems impossible that our preschool year is half over.

Re-enrollment packets come home on Friday. The second quarter progress report for preschool also comes home. Please let me know if you have questions. Please let Mrs. Boettcher, Mrs. Myers, or me know if we can help you in any way with enrollment. Packets are due back on February 5.

Please note the early childhood literacy night on Feb. 21 is being changed.

We welcome Charlotte Binns to our classroom and her family to Wichita.

Please keep Mrs. Zych in your prayers as she had surgery over New Year's. We hope she is back soon. I am thankful Mrs. Rickman and Mrs. Parker have been helping us.

Classroom Activities

Mr. L with Lemon Lollipops came. "L" can be a difficult sound so we are practicing a lot. We are also reviewing the letters and sounds A-L. We played with linking ladders; Legos; Lincoln Logs; and a favorite, the light table.

Mrs. Boettcher led preschool chapel and brought three kings and talked about their gifts and the Light of the Star and Light of Jesus. In Jesus Time we are continuing with the Jesse Tree.

In math we are beginning simple addition. We are adding the number of girls and boys. We have counting dogs to help us.

We will be talking about Kansas and looking at the U.S. and state maps. I hope you have a warm weekend.

Our son, Jeff, is closing on a house tomorrow. Our weekend will be spent cleaning and painting.

In love and service, Mrs. Newlin
