

Reading Homework = Book-It

First grade's homework is READING!!!! We are going to read, read, read! We are going to become GREAT readers!

Step 1 - Read

Today your child brought home a book that he/she needs to read orally to you. The children will be bringing these books home to read to you Monday through Thursday. Reading homework should take no more than ten minutes per evening. If your child wants to continue reading after ten minutes, he/she certainly may. Or, if you would like to finish reading the book after ten minutes, that would be fine also. Enjoy reading with your child!

After you finish reading at night, have mom or dad sign your homework paper. I keep mine in my homework bag until it is time to turn it in at the end of the month.

Step 2 - Sign

Remember to sign the homework sheet!!!!
This sheet will count towards their homework grade and as a bonus, they will automatically make their "BOOK-IT" reading goal.
