

Wild About Learning

May 1-5, 2017

with Mrs. Kloke

Recap

Last week we had a visit from Xavier Fox and learned about his sound. Most of the X words that we learned had an X at the end of the word. Wednesday, we created our last entry for our portfolio that you will receive at the Preschool Celebration. Friday, we spent a little more time talking about the life cycle of plants and how bees are important for plants.

On the Calendar

- * Our end of the year Preschool Celebration is set for Friday, May the 19th at 10:00. The kids will provide the entertainment as we prepare to say goodbye for the summer. Please see the second page of the newsletter for more details. Also, there is a sign-up sheet for refreshments on our clipboard.
- * Our last day of school is Monday, May the 22nd.

Coming up..

- *Monday, we will have a visit from our last letter animal of the year.
- *Wednesday, we will begin talking a bit about bugs. We will be learning how identify insects.
- *Friday, we will talk about Young Jesus and learn what the bible tells us about jesus when he was just a boy.

Preschool Celebration

Friday the 19th will be our end of the year
Preschool Celebration.

The celebration will begin at 10:00 and should be over about the time that we usually leave school. On the 19th the children will come to school as usual at 8:00 and we will start with our normal day. Please do not bring your child's backpack or coat that day. We will not be going outside to play.

Please, invite family and grandparents to come to the celebration with you.

When you come back at 10:00 for the celebration just come find a seat in the church. The classes will come in and sit with their class until after all the classes sing. Each class will sing a few songs much like we did at the Christmas concert. After the children sing they will be dismissed to their parents and everyone is invited to a light lunch in the fellowship hall. During the lunch your child will need to stay with you and your family. After you eat and socialize then you are free to take your child home for the day.

Mrs. Myers is putting is putting together a slideshow of pictures from the school year to show at the celebration. After the celebration you may purchase a copy of the slideshow if you would like. The cost will be \$2 and we ask that you try to bring exact change if you wish to purchase one.

Let me know if you have any questions about the day. I hope all the children will be able to come and sing.
