### State Paperwork for 2017-2018

If your child is re-enrolled for next school year, I have sent home the state paperwork. I would highly suggest filling it out and returning it throughout the summer. **It must be returned by August 10, 2017.** For our friends who have birthdays May through August, take the health assessments with you when you have their wellness check-up and ask for a copy of their shot records to eliminate an extra visit.

**All state paperwork must be filled out new each year. State does look at every line, please fill in everything.**
