- ~ \$5300 in sales
- The teachers selected about \$1300 for their wish lists
- ~\$1200 for the library to purchase books
- ~\$79 was raised from the lollipop pull to purchase books for “All for Books” benefiting hurricane victims in Texas. Due to the small quantity of books that were able to be purchased with that money, they will wait until the end of the year to send the box of books.

Die Cut Purchase: Cari showed the new die cuts that were purchased last month. (Patti Scales had made a display.)

Christmas Staff Luncheon: Sarah Igartua

- Kirsten Sutherland has been assembling the gifts. (Sea salt caramels)
- Kim and Lisa Wagner are taking care of desserts.
- Mrs. Boettcher will have a recess schedule at sign in to help volunteers know their schedule.
- Leah Davis made a “Sign-up Genius” for lunch/recess duty and gave it to Becky Kuhlman. She then sent it on to all of the room parents to share with their classes.

- *Frozen* theme.
- Selfie station, D.J., Bingo, possible chili cook-off, games, dessert auction.
- Thinking about dinner from 6-7p.m. Ann Harms suggested maybe starting the auction during mealtime perhaps around 6:30 p.m. so that we don't miss people who have to leave early.
- D.J. is reserved from 7-9 p.m.

Thank You Note: Mrs. Drew had a note of thanks and a picture of her students with their new white boards.
