

Newlin's News

November 30, 2017

General Info

Dear Parents; I hope you had a wonderful Thanksgiving. I did and had a lot of time with family. Now we are moving on toward Christmas. Tomorrow, Friday, your child will bring home an Advent chain. They should remove one link each day then it will be Christmas Eve and the yellow star when they take the last one off.

I hope you can all attend the program on Tuesday. Please look for the refreshment sign-up by the sign-in sheet. Please let Mrs. Myers or me know if you have questions. Also, look for the on-line sign-up for our classroom party sent out by Kellie Newlin, our room mom. The party is Monday, December 18 at 9:45AM. You are all welcome to come and help.

Although it is inconvenient, we are excited our preschool playground is being re surfaced. No more wood chips!!! We appreciate all who have supported jog-a-thons as we have set aside monies the past few years. We give thanks to the anonymous donor who made it possible to complete the project now.

Classroom Activities

Our preschool chapel time was spent practicing for our Christmas Program. In the classroom we talked about God providing all of our needs. We talked about Him providing quail and manna and looked at flat and fluffy bread.

We listened for rhyming words and practiced with positional words.

Mr. J and his Jumbled Junk came. We discovered we needed to think about the "j" sound when looking at pictures—jacket (not coat); jeep (not car). We learned Jesus is the greatest "j" word EVER!

We played jungle dominoes and with the jungle playset.

It is hard to believe this beautiful weather. Spend some time outside this weekend.

My family will watch Shocker basketball and I think go to Illuminations at Botanica. Have a wonderful weekend. In love and service,

Mrs. Newlin

"Believe in the Light so that you may become children of Light."

John 12:36
