in Junior Kindergarten!

This Week

The kids thoroughly enjoyed bringing their bears last week. We took our bears all over the school. We compared our bears and read a ton of bear books. Wednesday we took our bears to meet the group the make Braille books and ran around with our bears in P.E. Thursday we had a teddy bear picnic. Friday we did some gunny bear science. For our Bible lesson we read about how Jesus healed Bartimeaus of his blindness.
