Wednesday, we will finish our centers and visit p.e. in the afternoon.

Thursday, we will participate in a fun science experiment with Mrs. Tatro and visit the computer lab.

Friday, we will wrap up our projects for the week and visit the library.

Valentine's Day!

Valentines Day is fast approaching. We will celebrate on the 13th as to not interfere with Ash Wednesday. The party will begin at 9:30. The children are welcome to bring valentines to give to their friends. If your child can write their friend's names then they may. Otherwise it is fine for them to just write their own names on the valentines. Please, encourage your child to label the Valentine's on their own for some writing practice. Please, remember also that we have a friend with a nut allergy in our class and plan accordingly.

We will make bags for our Valentine's at school.

The room parents will be sending out a sign-up for the party in the next few days. All are welcome to come to the party!
