*This is what we did this week:*

## Memory Verse:

(For Thursday, February 8, 2018.)

Whoever gives thought to the word will discover good,  
and blessed is he who trusts in the Lord.

Proverbs 16:20

**Religion** - Students read the Bible story of God Speaks to Elijah and Naaman and Elisha. We learned that God shows His love for us by gently encouraging us with His strong, true word and by cleansing us by water and the Word, giving us life and salvation.

**Phonics and Reading** - Students worked on alphabetizing to the third letter, learned trigraphs igh and tch, worked with suffixes -en, -ish, -ist, and practiced spelling sight words. We began reading the book Who Was George Washington? from The New York Times Best Selling Series. Students made portraits and wrote about what their lives would be like when they are 100 years old.

**Math** - Students added two digit numbers with regrouping using dimes and pennies to help with regrouping. Students worked with "wrap-ups" to practice subtraction. Students completed several math papers with 100 facts!

**Social Studies and Science** - Students began a unit on Landforms. Students are learning about mountains, hills, plains, valleys, oceans, lakes and ponds, rivers and streams, and glaciers. Students are reading maps, learning to use a map key and map grids.

**Field Trips** -The field trip to the Kauffman Museum is Tuesday, February 6. If you have not yet returned your permission slip please do so. I cannot allow a child to go on a field trip without a signed permission slip. We will be eating lunch at the Pizza Hut following our time at the museum.
