VOLUME 5, WEEK 19

FEB. 2, 2018

This Week in Kindergarten...

Bible Story

We: read and acted out "Jesus Calms the Storm". We know Jesus will help us just as He helped His disciples. "The Lord is my Helper, I will not fear". Hebrews 13:6

Reading

We: reviewed "E", read decodable reader *Ben is Ten*, learned sight word "one", talked about apostrophes and quotation marks, and wrote simple sentences with CVC words in our journals!

Math

We: matched dimes to a set, counted by 10's to 100, celebrated our 100th Day with day-long activities, extended ABB and AABB patterns, practiced rolling dice and adding sums!

Social Studies

We: flew to Egypt, tasted grapes, saw pyramids and the Great Sphinx, talked about hieroglyphics and made our own using our names, read books about King Tut and watched "Prince of Egypt"!

Science

We: learned how many "sugar cubes" are in foods and drinks we enjoy! Ask your child how many cubes are in fruits, vegetables, milkshakes and soda! The healthiest foods have LESS!

Centers

We: copied calendar numbers, followed directions and built with megatiles on our light table, measured rice in our sensory table, played a "More or Less" card game, and "dressed for weather"!
