

## SPECIAL POINTS OF INTEREST:

- Lily brings home Ninja, our caterpillar/butterfly and it's journal! Please return Tuesday to share what fun you had over the weekend!
- Thank you, Mrs. Davis for helping us in Art!
- Senora Amey is teaching us names of animals in Spanish! "Oso" is bear, "pajaro" is bird, "perro" is dog, "gato" is cat, and "vaca" is cow! Weather words they are learning: "Hace sol"- it's sunny, "Hace mucho calor"- it's very hot, "Hace fresco"- it's cool, "Hace frio"- it's cold, and "hace viento"- it's windy.
- We read Dr. Seuss books all week! Ask your child about how we got the Grinch smiling, how many goldfish Elikya won, how to stack turtles, AND how green eggs and ham taste!!!
- Thank you for all of the families that are attending our Literacy Night, Thursday night! I am so proud of all the kindergarten's reading progress!!

God bless your weekend!

Mrs. Deb Snow

# Kindergarten Corner

VOLUME 5, WEEK 24

MARCH 8, 2018

## This Week in Kindergarten...

### Bible Story

We: read and acted out "Jesus Heals a Paralyzed Man". God sent Jesus to heal our sicknesses and forgive our sins! "Bless the Lord, who forgives all your sins, who heals your diseases".

### Social Studies

We: traveled to Italy, tasted "gelato", toured and painted the Tower of Pisa, colored the "ceiling" of the Sistine chapel (under our tables while on our backs) and tasted spaghetti!

### Reading

We: reviewed "x", read sight word "love", read decodable reader *Pig's Jet*, spelled 3-letter words, journaled about our favorite Dr. Seuss books, and wrote rhyming words from his stories!

### Science

We: made a prediction! Do we like green eggs and ham or not? We predicted, tasted and drew our conclusions! Check out our hallway for our results!!!

### Math

We: used linking cubes to measure "Cat in the Hat" figures, ordered four objects by length, copied and drew shapes and designs on geoboards, and estimated the number of goldfish in a bowl.

### Centers

We: "broke the ice" (literacy game), played "The Cat in the Hat" game, looked for Wockets, played a Math truffula tree game, read Dr. Seuss books and wrote our names and addresses on envelopes.

Check out our fun "Dr. Seuss" activities in our ["classroom blog"](#)
