APRIL 6, 2018

This Week in Kindergarten...

Bible Story

We: read and acted out "Jesus Rises from the Dead". Jesus came alive on Easter and we can be sure that we will live again, too! "The Lord has risen!" Luke 24:34

Reading

We: reviewed "Ou", learned sight word "what", learned how to code a qu combination with an arc, attended a wedding where q and u got married! They are always together!

Math

We: traded 5 pennies for a nickel, counted by 5 to 100, identified cylinders in our classroom and ordered them by height, and we paid for items with nickels up to 25 cents!

Social Studies

We: flew to Qatar, tasted cheesecake (asaryah), played balloon soccer in the room (their favorite sport!), made a classroom quilt, and attended a wedding with Miss Q and Mr. U!

Science

We: are learning about the 4 Stages of a Butterfly's Life! Egg, Caterpillar, Chrysalis, and Butterfly! We are watching our 5 Painted Lady caterpillars eat! They have grown 4 times their size!

Centers

We: read with our shoulder partners in Daily Five, glued letters from magazines in Word Work, read Spin to Win in Small Group, played Splash Math in IPADS, and listened to Bear Feels Scared.

Next week check out our "He is Risen" and Jog-a-thon fun in our ["classroom blog"](#)
