VOLUME 5, WEEK 28

APRIL 13, 2018

## This Week in Kindergarten...

### Bible Story

We: practiced our chapel, "The Week That Led to Easter". Thank you to those who are helping their child practice their speaking lines regularly! Come join us next Wed. at 8:20 a.m.!

### Reading

We: reviewed our long vowel sounds, and the rule for spelling with them, worked with compound words, alphabetized letter tiles, and made new words with switching the initial sound.

### Math

We: continue counting nickels! We counted by 5 to 100, identified cylinders in our classroom and ordered them by height, and we paid for items with nickels up to 25 cents!

### Social Studies

We: flew to Ukraine, listened to Chicken Sunday, painted Pysanky eggs, tasted raisins-from Babka (Easter bread), and watched handbells play "Carol of the Bells", a Ukrainian Christmas Carol!

### Science

We: are waiting patiently (7-10) days for our butterfly chrysalides to open!

Next week our fertile chick eggs will be placed in an incubator for 21 days! They should hatch on May 8!

### Centers

We: read with our shoulder partners in Daily Five, (all of our decodable readers,) traced, cut and colored butterflies and caterpillars, measured our room with linking chains, and stenciled!

This week check out our "He is Risen" party, Jog-a-thon fun and "QU" wedding pictures in our ["classroom blog"](#)
