

SPECIAL POINTS OF INTEREST:

- Aaron brings home Ninja, our caterpillar/ butterfly and it's journal! Please return Tuesday to share what fun you had over the weekend!
 - Thank you, Mrs. Cline, for helping us in Art, and Mrs. Livernois, Mrs. Goe-ring, Aaron and Mrs. Noel for reading to us this week!!
 - We are singing THIS SUNDAY, Mother's Day, May 13 at the 11:00 service. Please meet us in the Music room at 10:45 A.M. Your child can sit with you afterwards!
 - Thank you to the parents who sent birthday treats / drinks Friday, to celebrate our SUMMER BIRTHDAYS!
 - Thank you to Mr. Rolph for bringing in puppies, and goats to celebrate our FARM unit!
 - Senora Amey has been teaching us "transportation" words in Spanish! Carro-car, Autobus-bus, Barco-boat, Tren-train, Motocicleta-motorcycle, Avion-airplane, Bicicleta-bicycle!
 - God provided a great, windy day Tuesday for kite-flying with our 8th grade chapel buddies! Thank you for the kites!
- Happy Mother's Day!**
Love, Mrs. Deb Snow

Kindergarten Corner

VOLUME 5, WEEK 32

MAY 11, 2018

This Week in Kindergarten...

Bible Story

We: read "and acted out "Pentecost"! God wants all people to come to faith in Jesus, our Savior! The Holy Spirit brings us to faith and helps us share this Good News!!

Reading

We: are learning the "voiced" and "unvoiced" oo sounds, reviewing other digraphs (2 letters that come together to make one sound), and writing in our journals every day!!

Math

We: continue to practice our coin recognition and counting! We had a Friday Auction to spend "nickels" on Treasure Box items! Next week we earn dimes to practice our counting!

Social Studies

We: flew to Spain, tasted spanish olives, heard the story of Ferdinand the Bull, made sailor hats in honor of Christopher Columbus (who was from Spain), and had one of their annual food fights!

Science

We: have 4 New Hampshire Red chicks, and 4 Rhode Island chicks! We watched the hatching of chicks on youtube, and have held our classroom chicks, daily! We are measuring their growth!

Centers

We : used "star spellers" to make up nonsense words, read and printed them, we built a bunny tower, did a step by step butterfly drawing, put together puzzles and played Math games on ipads.

This week check out our Botanica visit on our ["classroom blog"](#)
