Middle School Surface Tablet Bag Requirements

One of the requirements for your child's new Surface tablet is that it must be transported at all times in a bag specifically for the tablet and the tablet alone. We are allowing you to make this purchase so that your child can choose whatever design or style fits their personality, so long as it follows the guidelines given below. Please remember, this is a bag to carry the tablet, not a protective case. We are providing the protective case for each tablet to ensure it meets maximum security requirements which minimize the risk of damage.

The tablet itself measures 12.25 x 8 x 0.75 in. with the protective case.

1. **BAG must** measure a minimum of-
Internal Dimensions: 13.58 x 0.79 x 9.65 inches (L x W x H);
