Summer Camp Programs

The Holy Cross Summer Camps encourage hands-on learning as children explore. Children will talk, hypothesize and problem-solve with their peers, to gain a richer understanding of each topic. Each week includes a curriculum based on sensory, art, Jesus time, literacy, science, and movement activities, along with outdoor play as the weather permits! Each program is designed for students who are eligible for P3 through kindergarten for the 2021-2022 school year. **The classes will be separated into P3 and P4 students in one room and Jk and Kindergarten students in another.** All children need to be fully potty-trained and turn three by August 1. The cost is \$75/week, which includes snacks and materials. Please submit a separate form for each child. Class sizes will be limited to 16 children, so sign up your child early to guarantee them a spot.
