

# FIFTH GRADE CLASS NEWS

## INFO/UPCOMING EVENTS

- Because the 5th grade students had the highest attendance at the pole, they have been awarded a free dress day! We will have our free dress day on the 11th.
- Picture day is on the 12th! This will also be a free dress day!

## OUR LEARNING

It's been another productive week. In reading, we have moved on to Unit two. We're exploring how good problem solvers solve problems by taking a closer look at how the colonist solved their early problems in forming an independent country. Grammar this week has been a welcome review of the different kinds of nouns. In math, we finished up our 4th unit. Now we are moving into some geometry and more division review. Students were all successful on their math tests and continue to work hard. In Science, we have completed our 2nd unit on force, and now we get to celebrate with a test today! In Social Studies, we have enjoyed working on our Native American Dioramas. It was such a joy to see all their creativity and excitement towards the project. I will set up some tables to display them in the classroom on Monday!

## MEMORY

Proclaim the excellencies of Him who called you out of darkness into His marvelous light.

- 1 Peter 2:9

Now He has reconciled you by Christ's physical body through death to present you holy in His sight, without blemish and free from accusation.

- Colossians 1:22
