VOLUME 6, WEEK 12

NOV. 2, 2018

## Bible Story

We: had a flannel graph story about Martin Luther! In the Bible, he found a verse very important to Christians everywhere! "For by grace we are saved, through faith, not by works, lest anyone boast"! Ephesians 2:8,9

## Reading

We are: reviewing ...letter I,i, spelled and blended our 3rd word list, counted words in sentences, learned about twin consonants and how to code them, read sight word "to", read reader The Hill.

## Math

We: identified ordinal positions to the fourth, ordered numbers from 0-10, identified missing numbers, rolled dice and counted up to 50 for our 50th day of school, built shapes out of popsicle sticks!

## Social Studies

We: flew to Israel, toured Jerusalem on youtube, colored Bethlehem stars to decorate our Christmas bough, saw pictures about it's capitol Jerusalem (Jesus died on the cross outside it's gate), and colored it's flag!

## Science

We: begin our Thanksgiving unit! We are practicing our Play, (for Nov. 19) weaving placemats for our Feast, cutting feathers for our turkey, making our costumes and learning about the Pilgrims and Wampanoags!

## Centers

We : made STEM projects! We used geoboards, geobands, popsicle sticks, a weight scale, objects, and legos! (Look for an upcoming blog for our STEM creations!)

Grades Pk-2 have a STEM night on Thurs. Nov. 15!

This week, check our ["classroom blog"](#) to see our PUMPKIN unit and STEM pics!
