Summer Camp Programs

The Holy Cross Summer Camps encourage hands-on learning as children explore. Each week includes a curriculum based on sensory, art, Jesus time, literacy, hands-on learning and movement activities, along with outdoor play as the weather permits! Each program is designed for students who are eligible for P3 through kindergarten for the 2024-2025 school year. **The classes will be separated into P3 and P4 students in one room and JK and Kindergarten students in another.** All children need to be fully potty-trained and turn three by July 1. If your incoming kindergarten student is attending The Landing camp at Holy Cross, please let me know and we can make special agreements to attend the following camps. The cost is \$75/week, which includes snacks and materials. Please submit a separate form for each child. Class sizes will be limited to 15 children, so sign up your child early to guarantee them a spot.

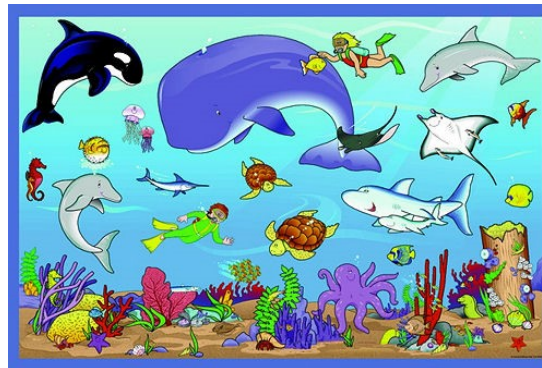

Week 1: June 10-14, 8-11 a.m. Fun with books

- Piggie and Elephant
- Stick and Stone
- Tops and Bottoms
- Mouse Paint
- The Clumsy Click Beetle
- Fun crafts, hands on activities and snacks with each

Week 2: June 17-21, 8-11 a.m. Under the Sea

- A splashing week of water fun!
- Exploring under water animals
 - Paint with Bubbles
 - Make an underwater discovery bottle
 - Perform sink or float science experiment
 - Enjoy daily water play

Week 3: June 24-28, 8-11 a.m. June 24-28 Woodland Wonder

- Explore woodland creatures
- Make crafts with nature
- Smore's
- Nature walks/exploration
- Make fairy home for your backyard
- Make bird feeder balls
