Summer Camp Programs

The Holy Cross Summer Camps encourage hands-on learning as children explore. Each week includes a curriculum based on sensory, art, Jesus time, literacy, hands-on learning and movement activities, along with outdoor play as the weather permits! Each program is designed for students who are eligible for P3 through kindergarten for the 2025-2026 school year. **The classes will be separated into P3 and P4 students in one room and JK and Kindergarten students in another.** All children need to be fully potty-trained and turn three by July 1. The cost is \$75/week, which includes snacks and materials. Please submit a separate form for each child. Class sizes will be limited to 15 children, so sign up your child early to guarantee them a spot.

Week 1: 8-11 a.m. June 16-20 Planes, Trains and Things that GO -

- ◆ **Painting with different kind of vehicles**
- ◆ **Arts and Crafts**
- ◆ **Exploring Motion through experiments**
