# Summer Camp Programs

The Holy Cross Summer Camps encourage hands-on learning as children explore. Each week includes a curriculum based on sensory, art, Jesus time, literacy, hands-on learning and movement activities, along with outdoor play as the weather permits! Each program is designed for students who are eligible for P3 through kindergarten for the 2026-2027 school year. **The classes will be separated into P3 and P4 students in one room and JK and Kindergarten students in another.** All children need to be fully potty-trained and turn three by July 1. The cost is \$75/week, which includes snacks and materials. Please submit a separate form for each child. Class sizes will be limited to 15 children, so sign up your child early to guarantee them a spot.

## **Week 1: 8-11 a.m. June 8-12 Adam Raccoon and Woodland Adventuress**

With the help of playful woodland creatures, and a new special friend Adam Raccoon we will go on Woodland Adventures and learn about our King, Jesus! We will use the Adam Raccoon books by Glen Keane.

## **Week 2 : 8-11 a.m. June 15-19 Piggy and Elephant**

Using the brilliant loveable Piggy and Elephant books by Mo Willems, we will explore problem solving, being creative, big feelings, social/emotional development and being a good friend. Books will include: My Friend Is Sad, Can I Play Too, Let's Go For A Drive, I will Take a Nap, I Really Like Slop, Waiting is Not Easy and My New Friend is SO Fun!, Should I share my Ice Cream?

## **Week 3 : 8-11 a.m. June 22-26 Out of this World Fun**

We are going to go to the moon and back learning about outer space, planets, stars, rocket ships and astronauts.

- Astronauts for a week!
- Taste astronaut food
- Participate in STEM activities
- Build a Rocket
- End the week with a Pajama Day
